PITHY LOCALS

Several times yesterday things looked serious.

Attend the meeting at the court house this morning.

We are yet to hear of a single White Man's showing the white feather.

Butler busted, Russell routed and Davis dusted. All in one day. Oh! how the mighty have fallen!

The Messenger congratulates everybody this morning. The victory is ours, with North Carolina redeemed we are so happy.

Well, how does the white skin man—not a white man from principle—feel now. He deserves no sympathy or recognitation from any true white man. Let him die easy.

The news we print this morning is good enough for one day. We have met the enemy—the negro and the black livered white men and they are ours. Take 'em, we have no use for them.

A couple of traveling musicians were enlivening the streets yesterday with their music and on every block the familiar air, "there'll be a hot time," was played. It was no joke for there were hot times.

There were a number of people who were earnestly solicited to change and take a stand for white supremacy who will regret this morning that they failed to embrace the golden opportunity. THEY ARE NOT NEEDED NOW and we bid them adieu.

It is in order now for a committee to wait on S. P. Wright, the very feeble occupants of the mayor's office and invite him to step down and out VERY QUICKLY. Law and order demands his immediate retirement from office and it would please us better to record the fact of his leaving the state.

Some of the eleventh hour converts notably W. H. Chadbourn and F. W. Foster, flickered when at the polls and voted the fusion ticket. The opportunity was offered them but they failed to take advantage of it and must abide the consequences. The rule of complete ostracism should be enforced as fully after as before the election.

PERSONAL MENTION.

Captain J. J. Adkins, of Southport, came up to the city yesterday.

Mr. R. H. Merritt, who is now traveling for the Standard Oil Company in the Charlotte territory came home yesterday to vote for white supremacy.

Mr. Oscar H. Wright and Miss Linnie Alderman, daughter of Mr. and Mrs. W. H. Alderman of this city, will be married next Sunday afternoon at the family residence. It will be a quiet home wedding and the couple will take the 7:15 train for Savannah. Mr. Wright is private secretary to General Pond, of General Lee's staff, and he will shortly embark for Cuba.

The Ministerial Union

Don't forget its members. The Record will be disposed of and its editor relegated to non-residence. So let it be with the smart elect preachers, who composed the union and endorsed The Record. Let them consider the prosperity of finding more congenial fields upon which to pasture. They must quit. It might as well be understood now as hereafter. Resignations and non-residence will be enforced.

A Sure Sign of Croup

Hoarseness in a child that is subject to croup is a sure indication of the approach of the disease. If Chamberlain's Cough Remedy is given as soon as the child becomes hoarse, or even after the croupy cough has appeared, it will prevent the attack. Many mothers who have croupy children always keep this remedy at hand and find that it gives them much trouble and worry. It can always be depended upon and is pleasant to take. For sale by R. R. Bellamy.

An Hour for Rejoicing

The people of North Carolina have great cause for rejoicing this morning that the state has once more been redeemed from the clutches of the thieving incompetents and negro lovers who have had full sway for the past four years and who have done so much to bring reproach and disgrace to all.

Thank God! and we say it reverently, the day of insults and outrages on our fair women and children will soon be a thing of the past.

The Best Plaster

A piece of flannel dampened with Chamberlain's Pain Balm and bound on to the affected parts is superior to any plaster. When troubled with a pain in the chest or side, or a lame back, give it a trial. You are certain to be more than pleased with the prompt relief which it affords. Pain Balm is also a certain cure for rheumatism. For sale by R. R. Bellamy.

Thanks

Yesterday's mail brought us a private letter from a well known journalistic in this state, whose paper has been doing good and noble work for the white men in this campaign. Among other things he said, we take the liberty of reproducing the following from his letter:

"I want to congratulate you on the splendid campaign work done by The Messenger. In my judgment the success of the democrats not only in New Hanover, but in many adjacent counties is due in large measures to your effective work."

GLORIOUS VICTORY.

NEW HANOVER GOES FOR WHITE SUPREMACY

The Majorities Range from 350 to 1,000—Bellamy for Congress and W. J. Davis for the Senate Are Both Elected

Yesterday was a glorious day for white supremacy in New Hanover county. The election resulted in the success of the entire democratic state judicial, district senatorial and county tickets in the county with majorities ranging from 350 to 1,000.

Business was practically suspended, and the vote cast was the largest in the history of the county. The polls opened at 7 a. m. and closed at 4:58 p. m. The polls were crowded early in the morning and most of the whites and negroes on the registration books voted by noon. The straglers voted in the afternoon. In some of the precincts every man whose names were on the registration books voted. In some precincts all but one to five voted.

The voting at the various precincts was quiet and at most of the polls it was like Sunday most of the day. At the counting there was some excitement, and in two precincts last night it looked like trouble was brewing, but everything passed off without bloodshed. Late last night some exhuberant democrats were on the town and there was firing of guns, a thing calculated to make the women nervous, and which, from that point of view, was reprehensible, but which was excusable under all other circumstances.

The victory for the democrats was a glorious one. Our townsman, the Hon. John D. Bellamy, beats old Oliver Dockery by about 6,000 majority in this district. Mr. W. J. Davis, of Brunswick, is surely elected over Colonel R. B. Davis, the fusion nominee for state senator from this district. It is said that Brunswick county gives a democratic majority of 350. New Hanover gives the democratic Davis a majority of about 1,000. He leads the ticket in New Hanover.

THE SIMPLEST CURE FOR INDIGESTION

As Well as the Safest and Cheapest

The new medical discovery, Stuart's Dyspepsia Tablets, digest the food instead of making the worn out stomach do all the work, give it a much needed rest, and a cure of dyspepsia is the nautral result.

You get nourishment and rest at the same time because these Tablets will thoroughly digest all wholesome food taken into the stomach whether the stomach works or not. A cure is certain to result because the digestive organs are given a chance to rest and recover their natural vigor and tone. The Tablets are then no longer required.

To show the manner in which the remedy acts on different people and how quickly and effectually it cures stomach troubles we present a few recent cases:

Mr. J. O. Wondly, of Peoria, Ills., writes: I was unable to eat anything but the plainest food and even that often distressed me, but since using one box of Stuart's Dyspepsia Tablets I can eat anything and everything I want.

Mrs. Samuel Kepple, of Girty, Pa., writes: I have been entirely relieved of my stomach troubles by your Tablets. I suffered three years with sour stomach and gas at night. I am thankful for them.

Mrs. A. E. Bowen, Barnard, Vt., writes: I think Stuart's Dyspepsia Tablets are the best thing for Dyspepsia I ever took. I will recommend them to anyone troubled as bad as I was.

Stuart's Dyspepsia Tablets will not disappoint because they cure Dyspepsia surely and lastingly by causing the food to be properly assimilated, and cure constipation by producing the proper quantity of bile. Sold by all druggists at 50 cents per package. Send for free book on stomach diseases to Stuart Co., Marshville, Mich.

From New Zealand

Reefton, New Zealand, Nov. 23, 1896.
I am very pleased to state that since I took the agency of Chamberlain's medicines the sale has been very large, more especially of the Cough Remedy. In two years I have sold more of this particular remedy than of all other makes of the previous five years. As to its efficacy, I have been informed by scores of persons of the good results they have received from it, and know its value from the use of it in my own household. It is so pleasant to take that we have to place the bottle beyond the reach of the children.

The Coast Line's New Road

The contract for the grading and construction of the Atlantic Coast Line's new road from Denmark on the Georgia and South Carolina railroad, to Robbins on the Port Royal and Augusta was awarded yesterday to Messrs Abercrombie & Williams, of Montgomery, Ala. The lowest bidders, The A. C. Wright Company, of Richmond, Va., withdrew their bid, and Messrs. Abercrombie & Williams being next lowest, got the job.

As heretofore stated, the road will be 34 7-10 miles in length, and will give the Atlantic Coast Line connection into Augusta over its own line, the Port Royal and Augusta being their property. Messrs. Abercrombie & Williams will begin work immediately and the contract calls for the completion of the road by May 1st. They will employ 1,000 hands, 500 mules and two steam shovels in the work.

Smashed the Windows of a Street Car

Last night about 7:05 o'clock while a street car going north was passing Ninth and Dock streets, some unknown person threw a large stone through the window, smashing one of the glasses into a thousand pieces. The stone struck Mr. John W. Gafford, of The Dispatch, on the shoulder, but as the force was broken by the glass it did not hurt him much. Several gentlemen were on the car and revolvers were drawn to get a crack at the villain, but they did not see him.

The Emergency was Met

The stern necessity of the white people's preparing to defend their property, families and friends, as they have done in the past three months, without stint and without apology, was illustrated last night by the condition and appearance of things upon the streets of this city.

Notwithstanding a quiet and peaceable election, resulting in the handsome victory for white supremacy, the evening shades had hardly fallen upon the city, when, amid the general interchange of congratulations in no wise boisterous or dangerous, the police force of this city, as if stricken by fear, retired from duty, or, if on duty, carefully avoided being seen. Fortunately for the city, and in order to protect property from negro incendiaries and to insure peace, the organization of white men detailed men in all parts of the city, armed with Winchesters, to patrol and protect the community. Except for an occasional shout of glad tidings or the explosion of a gun, commemorating the victory, the city was ominously silent. There were no negroes to be seen. Mayor Wright, not from duty, but fear, as well as French and others, found an asylum in the police headquarters, where the force seemed to have been mobilized to defend the high officials of the last remenant of negro domination. The peace of the city will be preserved, but not by Sheriff French, Mayor Wright, or Chief of Police Melton, but by the good citizens of this glorious old county, who will soon present to the mayor, the chief, and the republican-fusion-Russell appointee aldermen of Wilmington the ultimatum of an aroused and determined people. This is not talk, merely. It is the prelude to action.

Connecticut Mutual Life Insurance Company.

The Connecticut Mutual asks a man to buy a "Life Insurace" for the protection of those dependent upon him and its policies make that protection a surety by providing against forfeitures of either dividends, paid-up values or reserve. It secures the best and highest obtainable results, from the prudent policy-holder's point of view, and to accomplish these results, foregoes rapid growth and enormous size, things very impressive, even startling to the general eye, but which can be had only at enormous cost which the policy-holder must pay.
